Sustainable choice

45% of an orange is juice,
When it comes to our oranges,
the other 55% (peel, pulp, oils)
is used in other industries.
#NoWaste

If your guests deserve the **superb taste of a freshly squeeze juice** and you don't want to waste your precious time, our Excellence Fresh will fit you perfectly. Excellence Fresh is **pressed, packed and frozen**, not filtered, not pasteurized; a 100% pure natural juice. By freezing the juice directly after squeezing, we pause the natural decline in the most natural way and keep excellent taste and flavour intact. As good as pressing the juice yourself only **much easier!**
