Zengo[®] Sunsational

The real fruit based cocktail-slush mix
Flexible concept for hotel pool bars, leisure and QSR
1 pouch of 1 L makes 4 L of mix
5 flavours

Frozen slush drinks are a **welcome refreshment** for guests and customers looking for a **cool summer drink**. With the **Smartpack Sunsational** concept, Zengo offers operators in food service an **easy-to-use frozen solution** with a real fruity taste. 5 brightly coloured flavours make a delicious and attractive looking **fruit based slush**. With some tequila or rum, Sunsational is also easily transformed in a real **Margarita or Pina Colada**.

Zengo® Sunsational

Storage: frozen

Operator friendly: easy to use handmix concept
